

CodeRefinery post workshop survey

CODE REFINERY

Thank you for taking a moment to answer this survey!

The survey consists of 13 questions, all of which are optional (though please answer what you can). It takes approximately 5-10 minutes to answer.

This form should be anonymous. Please do not submit any information that can possibly identify you.

We will publish the combined, anonymous data as part of a blog post and use the data to improve the workshop format and to report to our funders about the impact of our workshops.
